CUT-A-THON TO BENEFIT MISSING CHILDREN

A cut-thon to raise money for the National Center for Missing & Exploited Children will be held on May 25, 2007 from 8:30 until 4:00 at the School of Hairstyling, 141 E Chubbuck Road.

In observance of the Many 2t, National Missing Children's Day, the School of Hairstyling will join with other Cosmetology schools nationwide to raise money for the Center. Each haircut will cost \$7.50 and \$1.00 of each cut will be donated to the center..

The School of Hairstyling chose to participate in this national event as they believe that volunteerism and community service is important to the success and growth of their students and the well-being of the community. It is the School of Hairstyling's first year participating in this event.

For further information please contact the school at 208-232-9170.

FORENSIC DENTIST VOLUNTEERS TO ASSIST AGENCIES

Dr. Glen Smith has volunteered to assist all Idaho agencies in the NCIC coding of dental records for missing and unidentified deceased individuals. Please see his contact information on the front of the Idaho Missing Persons Website.

FORENSIC ANTHROPOLOGY AND ARCHAEOLOGY ASSIS- TANCE OFFERED

Ms. Lynn Porter is attending Idaho State University and College of Southern Idaho. She is offering her services in anthropology, archaeology, K-9 and cadaver rescue and recovery to Idaho agencies.

If your agency has need of these services, please contact Ms. Porter at 208-589-5978.

IDAHO'S MISSING PERSON DAY

Remember that Idaho observes our Missing Persons Day September 14. Please let the Clearinghouse know of the activities you have planned so we can help publicize this important day.

A decorative border of handprints in blue, purple, and white surrounds the central text area.

2007 AMBER ALERT / MISSING PERSONS TRAINING

The Idaho Missing Persons Clearinghouse will be providing AMBER Alert / Missing Persons training in five locations around the state in August, September and October. This class is provided free to all members of law enforcement and is POST accredited for 6 hours.

The training will be held in Idaho Falls, Jerome, Post Falls, Lewiston and Meridian. The exact dates and locations of each class can be located in the CALENDAR OF EVENTS.

This training will be beneficial for all members of law enforcement: call takers, dispatchers, first line responders, investigators, and administrative personnel. The AMBER Alert segment of the training will focus on:

- Idaho's 6 required criteria to issue an AMBER Alert
- How to locate the Activation form on the internet
- How to fill out the Activation form
- Review of RCC's role in AMBER Alerts
- Signing up for the Portal to receive notifications
- Criteria scenarios

The remainder of the class will be devoted to general missing persons training regarding administrative, investigative and reporting procedures.

To reserve class space email eloise.skinner@isp.idaho.gov or call 208-884-7134.
